

and Colney Heath School invite you to a FREE course

Funky Computing

Do you:

- Want to become more confident in using computers?
- Find out about fun activities you can do with your child using computers?

Come along with your child and learn about fun activities you can do together on the computer

Parents only for the first part of the session
Parents and children for the second part

Come and join us for this 5 week course starting....

Date: 9th November to 7th December

Time: 2.00 – 4.00 pm

Where: Colney Heath JMI School

Returning this slip confirms you have a place on this course and will be attending the 1st session on: 9th November
