Healthy School

October 2017

AGM Head's Report

The school has had a really amazing year. The PTA has raised a substantial amount of money which has given the children a number of special experiences above and beyond the normal curriculum. The money has been used to: heavily subsidised trips, pay for the pantomime and provide playground equipment including table tennis tables.

Again all this has been made possible by the support of you as parents.

I am sure you would want me to thank the officers who have been instrumental in making this such a successful year. They have been pivotal in organising a growing number of events throughout the year including our Winter Fair, Easter Fair, coffee mornings, Silver Smartie Week, Discos, Pamper Night and especially the Summer Carnival to name just a few. Their time and support is much appreciated.

For the coming year I would like to thank our new officers to putting themselves forward and know that you the parents of Colney Heath School will give them every support.

They will need you to put yourselves forward and volunteer your time to build upon last year's success.

Please attend meetings as your views are important to us and look out for requests for help and donations.

Mr P Rose
