A pictorial record of the year.

2020 to 2021

# Events

There were lots of events the children took part in throughout this year.

Come inside and see just a few of them.....

# Covid 19

After school closure over the summer term the whole school has returned.

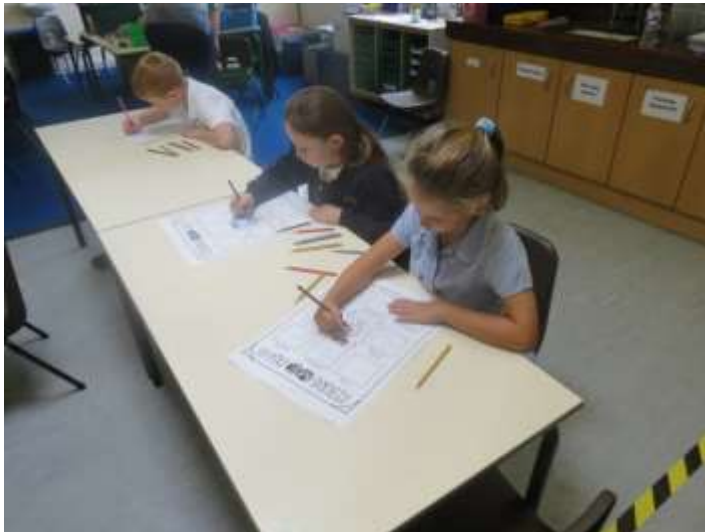

Daily life is a little different with classes staying in their 'bubbles', eating in their classrooms, having different playtimes and playgrounds.

We have a one way system around our school site and each classes starts and finish times are staggered.

This year we said goodbye to Miss McShane who taught us all PE.

Yr6 moved onto to a range of secondary schools and managed to have their leaving event in August.
