

Lexia for home use on a computer or iPad

If your child would like to use Lexia on their IPAD at home please download the free Lexia core 5 App from the App store.

Or on a computer visit

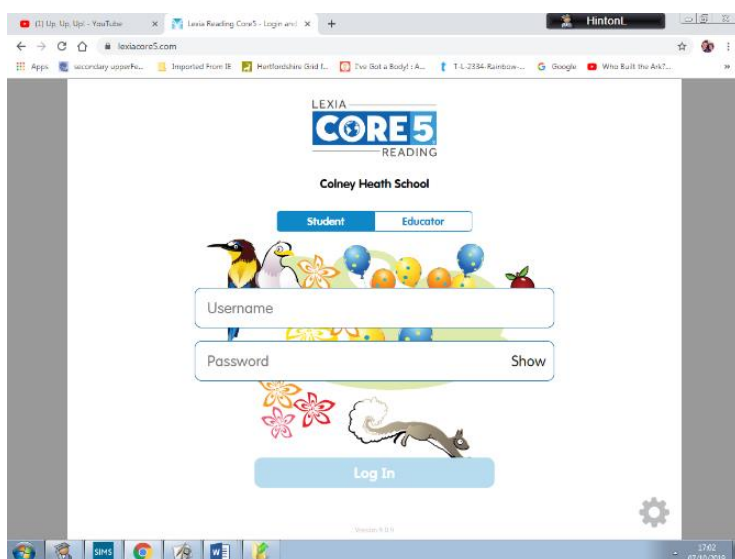

<https://www.lexiacore5.com/register>

Once downloaded put in the following email address.

admin@colneyheath.herts.sch.uk

and then press **Save**

Once on the Colney Heath School page add this to your favourites or bookmark it.

Username

Your child should put in their.....first name AND the first letter of their surname

(all in lower case)

For example: **janeb**

Password is **read** (sometimes with a capital R)

You are then into Lexia.

Let your child enjoy using their phonemes and practising what they have been taught at school.

Any problems please come and ask.
