Headteacher: Mr. P. Rose

Healthy School

October 2019

### AGM Head's Report

The school has had yet another amazing year. The money raised has given the children a number of special experiences above and beyond the normal curriculum. Trips have been heavily subsidised saving you around £6 a child. We have managed to upgrade our computers with the purchase of a class set of Chrome Books. Finally the school is currently restocking the library with around £3,000 worth of new books.

Again all this has been made possible by the support of you as parents.

I am sure you would want me to thank the officers who have been instrumental in making this such a successful year. They have been pivotal in organising a growing number of events throughout the year including our Christmas Fair, Quiz Night, Discos and especially the Summer Fair to name just a few. Their time and support is much appreciated.

For the coming year we need new people to step up and support our new PTA Officers. Without this your children will not have the amazing experiences they have had in the past. We will also not be able to organise trips and visitors and the children will miss out on discos and fairs. **It just needs you to offer a few hours of your time a year.**

If you do this we can build upon the successes of previous years

Please attend meetings as your views are important to us and look out for requests for help and donations.

Mr P Rose
