

Reception Class Newsletter Spring Term

Welcome back to the Spring term! We have a busy term in store. Your children have made so much progress in the Autumn term and we cannot thank you enough for your continued support. We are all very proud of how the children are engaging with their learning and building lots of different skills.

Reading mornings!

Every Tuesday you are invited into the classroom at 8:40am to listen to your child read their phonics book. We look forward to seeing you there!

Class assembly

The class assembly will take place in the hall at 9am on Friday 28th February. The children will be excited to share all their learning with you.

Curriculum

This half term will find us exploring the world with our theme, of all around the world. We are starting the term by taking a look around the globe at different parts of the world. We will be using the text 'Emma Jane's Aeroplane' to explore different countries and also learn about Chinese New Year. We will be learning about the countries that the children in the class are from and I know they are excited to teach their friends about where they are from. The children will be learning phase 3 phonics and starting to write short sentences. In Maths we will be learning to compare amounts when counting, positional language, ordering numbers and estimating. We will move on to regrouping in the second half of the spring term. We will continue to explore the change of the seasons and follow the children's interests during their playing and learning.

We look forward to seeing what else this term brings and as always, please pop in and see us if you have any questions or send us an email if that is easier for you at rec@colneyheath.herts.sch.uk

We thank you for your continued support with your child's learning and progress and look forward to working with you over the next term.

Kind regards,

Miss Insall and the Reception Team
