

Year 3 spellings Spring Term 1

Welcome to your third lot of spellings! This half term still revises a lot of the work we did in year 2 and even year 1 but also incorporates some of the year 3 and 4 spellings. There are also new words that still contain the same phonemes. These may seem easy for some children but it's amazing how many errors I see! This term is still about consolidating previous work as well as some new learning. Don't forget to look at the rules to make them easier to learn. These are also on our class webpage.
