October 2023 : Any other comments

- I feel when the children are being naughty, everyone (the class/the club) are missing out and being reprimanded rather than these individual children;
- contact with school after 3.15 - it can be difficult to get in touch;
- a lovely school community + it is run very well with Mrs Clark who is doing a fabulous job;
- great supportive teachers, I love how they see the best in the children and have an open door policy, thank you;
- I feel that my children are happy going to school and have opportunities to participate in after school clubs if they want. I think the variety of clubs available have improved
- I would like to thank you for the attention given to my daughter since we are from another country. Thank you very much to all the teaching staff.
- Really happy with Colney Heath School. X really enjoys school and the lovely teachers
- Over the last year the school seems to have gone up a gear in terms of expectations, organisation and communication. From a parents' point of view that is great to see

Items we are following up...

The range of after school clubs has improved this year. We continue to try to develop these

To ensure we maintain the high expectations we have, and support our children and families with this.

Last year, a newsletter was requested. We have a half-termly whole school newsletter as well as termly class information newsletters.

On-line safety and social media concerns have been expressed at Parents' Eves. We will be running a workshop for parents and children in Jan

That our Behaviour Policy is followed consistently. We have high expectations of our children, and we want them to feel they are treated fairly
