

[illegible]

What should I already know?

## Diagrams

ms	Vocabulary
----	------------

A map of the Pacific Northwest region of the United States, including parts of Washington, Oregon, and California. The study area, located in the coastal region of Washington, is highlighted in yellow.

A map of the United Kingdom, including Great Britain and Ireland, divided into numerous small administrative regions or counties. The map is color-coded: most landmasses are light yellow, the surrounding seas are light blue, and the Republic of Ireland is shaded in light purple. The map is oriented with North at the top.

A map of the United Kingdom with its constituent countries and regions outlined. A small area in the south of England, representing the study area, is highlighted in red. The surrounding waters are light blue, and the landmasses are a pale yellowish-tan color.

The image consists of two maps. The top map is a map of the United Kingdom with a red dot indicating the location of the study area in the south-east. The bottom map is a detailed map of the Southampton and Portsmouth area, showing the River Test, the city of Southampton, and the port of Portsmouth. The map includes labels for various locations such as Southampton, Portsmouth, and the River Test. A legend in the bottom right corner indicates that the red dot represents the 'Study Area'.

The top map shows the United Kingdom with a red dot in the southeast, indicating the location of Southampton. The bottom map is a detailed view of the Southampton area, showing the city, the Solent, and the surrounding waterways. Key locations include Southampton, Cowes, and Spithead. The map highlights various ports and roads, with a legend indicating 'Ports' and 'Roads'. The map also shows the 'M27' and 'M3' roads, and the 'Southampton Water' and 'Solent'.
