

Captain Star is an over-confident space pirate captain, they were once the most famous pirate across the universe, but after losing their crew they have to build a new one. Think about how Captain Star might walk, talk and what they might do with their body when they are speaking. All the roles can be played by a girl or a boy.

“And you all know me: Captain Star! Been captain of the Lost Squid for the last 20 years, pillager, plunderer and treasure hunter. No one across the 7 galaxies is as brave or brainy as me! You can count on me to always be in the right place at the right time.”

If you would like to audition for a singing solo I will ask you to sing the first verse of Lean on Me.

Sometimes in our lives we all have pain

We all have sorrow

But if we are wise

We know that there's always tomorrow
